Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Health Psychology 8th Edition Taylor

The eighth edition of Health Psychology highlights health issues that face the college student and his or her family through both accessible research examples and profiles of interventions. Drawing on current, cutting-edge research, the text highlights health issues relevant to the college student's immediate and global environment such as coping with stress, maintaining physical health, and making decisions about alcohol and smoking.
