### Journal of Behavioral Decision Making - Wiley Online Library

To put it simply, a decision journal helps to refine your decision-making process as you move forward, rather than being something that helps you actually make a choice in the moment. If that seems like an unnecessary formality, I promise it's not—because it'll help you overcome something called the hindsight bias.

### Why You Need To Start Using A Decision Journal

Decision is a multidisciplinary research journal focused on a theoretical understanding of neural, cognitive, social, and economic aspects of human judgment and decision-making behavior. Decision publishes articles on all areas related to judgment and decision-making research including probabilistic inference, prediction, evaluation, choice, decisions under risk or uncertainty, and economic games.
