Elemental Masters is a fantasy series by American writer Mercedes Lackey, taking place on an alternate Earth where magic exists. The series largely focuses on Elemental Masters, people who have magical control over air, water, fire, or earth. Each elemental master has power over elementals, as well. Each book in the series is loosely based on a fairy tale.

Elemental Masters - Wikipedia

The Sorcerer, while within viewing range (no longer than a street) of their Mage-Master, is able to turn their body into that of an Elemental, based on the element of their Mage-Master. For example, if their Mage-Master's thematic element is fire, they will appear to be engulfed in fire, and if the Mage-Master's theme is lightning, they will appear like a humanoid spark.

Magic comes in a variety of types, though they are either classed as Elemental, or an Adept Discipline. The constant use of magic is said to rejuvenate the body, and extend a sorcerer's lifetime, with many characters in the series being over five hundred years old. The rate of age slowdown is not accurately known, but Tanith is in her Eighties, and appears in her Twenties, so the effects are quite noticeable.
