State Specific Boating Safety Courses: BoatUS Foundation

The serial number is on a plastic plate riveted to the boat and starts with "ZEP". On a canoe, it's located in the back on the right side under the gunnel. On a kayak you'll find it on the top behind the seat. On a pedal boat, a jon boat, a bass boat or fishing boat you'll find it on the back, right side under the rubrail.

In general, dealers will usually deal with registering a new boat, while it will be up to you to register a boat you have purchased from a previous owner. And unlike cars, not every state's DMV handles boats. It may be states park, tax commission, natural resources, fisheries and wildlife department that oversees boat registration.
